**** We are looking for 2-3 Seniors who would be willing to be Student Representatives to the School Board.**
This involves attending Board meetings, which occur on the 2nd Monday of each month, and providing information about all of the things going on at WHS. We had three representatives last year. They traded off months so it was less of a burden. Student Representatives do not need to stay for the full meeting and generally should expect to be at the meeting from 6:00-6:30.
***** Please see Mr. Chase if you are interested *****
