

Norman Langlois Memorial Scholarship

Norman Albert Langlois graduated M. Fazio Beauty Academy in the spring of 1958. Within several months, Norman borrowed \$1000 dollars from a friend to purchase his first salon located in Durham, New Hampshire and renamed the establishment "Normans Hair Styling". Normans salon quickly became a success which prompted him to purchase a second salon located in Dover, New Hampshire. With success on his side, Norman joined forces with J.J. Newbury Corporation. The new partnership led to the successful opening of two more salons located in Portsmouth and Concord New Hampshire. Throughout the years that followed many additional salons were added.

Norman's passion for the industry was so great, he wanted to share his experience with others by opening his first Beauty School in 1964 located in Laconia, New Hampshire named "Empire Beauty Academy". Norman believed anyone could build their own empire with great training, enough passion and drive which eventually lead to him opening several more schools located throughout the state of N.H.

Norman's true love in life was to see other young people experience the same success he had in the beauty industry and continued to share his passion until his passing on June 5th, 2019. To this day, many salons, barber shops and spas proudly display their first dollar bill signed by Norman as they began their new career at Empire Beauty Schools.
