Woodsville High School's JAG Pantry Pack Program is in need of food items or cash donations.

The *WHS JAG Pantry Pack Program* delivers food backpacks to food insecure students during the weekends when school breakfast and lunches are not available for them.

With the pandemic, donations have been extremely slim and we've had to rely on donations from last year to fill our pantry. Our numbers have significantly increased this year from last in the number of backpacks we give out each week, and we are running very low on food and funds.

This is such a wonderful initiative and the JAG students really take pride in running this program. Our students understand their role as WHS JAG members and the impact they make reaches far beyond the classroom. Please consider donating food items or make a cash/check donation so that we can keep this program running for the remainder of the school year. We will not make it without the support of our community.

A food donation bin will be located in the WHS Front Lobby and the WHS LLC. Checks can be made payable to *WHS Pantry Pack Program*.

Thank you for your support in helping us to battle food insecurity for our students!
