TODAY IN HISTORY

In 1870:

The 15th amendment, guaranteeing the right to vote regardless of race, passes.

In 2020:

Three out of four Americans now ordered to stay home due to COVID-19 as states of Virginia, Maryland, Arizona and Florida issue lockdowns.

SAT WORD OF THE WEEK

Obsolete

adj. no longer used; rare or uncommon

Example:

Historians assumed record players would be obsolete by now, but in fact, they're making a huge comeback.

Unfortunately, WMCC is canceling their Spring Open House event on Friday, April 1. Thank you for considering this opportunity.

Their staff is interested in meeting with any seniors who might be undecided in their college plans or underclassmen that may be interested in learning more about the educational opportunities at WMCC. Their staff is also available to host small groups or to schedule individual admissions appointments to get a tour of our college and learn more about the admissions and financial aid processes.

Please contact the WHS Guidance Office if you would like more information

Warriors Wanted! An Army recruiter will be visiting WHS this Friday, April 1st during all lunches.
