### TODAY IN HISTORY

In 2008:

Danica Patrick wins the Indy Japan 300 becoming the first female driver in history to win an IndyCar Series race.

In 1902:

Marie and Pierre Curie isolate the radioactive compound radium chloride

### WORD OF THE WEEK

**Pragmatic**

*adj.* practical, useful

**Example:**

It's not necessarily more **pragmatic** to study engineering than it is to study philosophy.

**Reminder to all students that the parking lot by the ball fields will not be accessible today.**

Please plan to park in the main parking lot.

Please dress appropriately for the weather - all students will be outside for the duration of the Mock Crash.
