HOST Families Needed

Have you ever considered hosting an exchange student? CIEE has a number of exchange students who would love to be placed in a family! Students arrive in August and stay either one semester (5 months) or the full academic year. They have their own spending money, health insurance, and proper visa. Host families provide a bed (can be a shared bedroom but not a shared bed), 3 meals a day, and love. Students would attend the local public high school.

For more information please reach out to Local Coordinator, Susan Kuegel at susankuegel10@gmail.com or 802-279-2158.
